Boothman Park Barley New Road Barley Burnley Lancashire BB12 9LF RESUBMISSION <p>It was RESOLVED that BPC submit the following comments on the PA:</p> <p>The Parish Council recognise there is a business need for an office of a suitable size and deem the reduced size of the proposed structure at 7.5m x 4.1m to be more in keeping than the previous 14m x 4m structure.</p> <p>The office building is to be in timber and providing it matches the nearby timber lodges then the PC is neutral on this application.</p> <p>However, we do consider the site is now becoming over populated with timber buildings of all types, sizes and construction and that the scenic beauty of the woodland is now being damaged.</p> <p>The Council would most likely object to any further structures on this site.</p>
